MANAGEMENT

Our Vision is to be recognized as the most reliable freight forwarding provider in South Africa whilst providing top-notch Customer Service.

LOGISTICS

We pride ourselves on providing good quality service to all our clients and long term partners. Constantly adapting and aligning with the markets ever changing demands without compromising on service.

OUR SERVICES

Air Freight (Import and Export)

BB Trace has long standing relationships with local airline carriers and overseas forwarders to arrange as per our clients and freight partners requirements whether it be courier, standard cargo, oversized cargo and project cargo.

Sea Freight Import (LCL & FCL) & Sea Freight Export (LCL & FCL)

Whether it be LCL(Less Container Load), FCL (Full Container Load), Project cargo, strapping and lashing and Cross Trade. We are eager to provide shipping requirements to meet your needs.

Road Freight (Local & Over-Boarder)

Local delivery or collection within South Africa or Cross Boarder to and from our neighbouring countries.

Marine Insurance

We can facilitate marine insurance on behalf of the client / partners. Marine insurance refers to a contract of indemnity. It is an assurance that the goods dispatched from the country of origin to the land of destination are insured. Marine insurance covers the loss/damage of ships, cargo, terminals, and includes any other means of transport by which goods are transferred, acquired, or held between the points of origin and the final destination.

Customs Clearance

With our partners, we arrange customs clearance. Whether it be import or export, temp import or temp export, ATA carnet & bonded clearance. All goods imported or exported to/from South Africa requires customs clearance. We have many years of experience when it comes to customs tariff and procedures, providing you with smooth and seamless import and export customs clearance.
